

Mid Missouri Conference
Minutes

Meeting call to order

Introductions of team representatives

All present except: Marshall and Westlake

Asked for minutes or if anyone had question about the last meeting. Found out the minutes of the meeting were not on the web. I said I check it out and have both posted.

Treasury reports none. Said I would get it posted on the web-site.
California and Centralia are current on dues.

OLD Business

Asked about missing awards Sue said she was ordering replacements.

New business

Teams need to know how to use league web site addresses and retrieve information.

Set schedule for summer.

With teams not present that host team may need to be able move dates and times witch is permissible. Host teams will send courtesy letter setting when entries are due and state Email address for entries.

Any team that has schedule date problems need to contact visiting teams to make arrangements.

It was the consensus of attendees that conference championship medals should be order by the treasurer now to avoid last minute rush. It was also suggested that the medals not be engraved in order that left over medals could be used the following years.
